Adrienne Gittus

Adrienne is uniquely qualified to provide photo and video services and imaging instruction to Wakatobi guests. She combines a decade of dive instruction experience with a passion for underwater imaging and filmmaking. Working as a self-taught professional cinematographer since 2011, she founded Soulwater Productions in 2015. Her work has been featured in several magazines, and she has provided footage to CNN, ARD, Discovery, and National Geographic.

In the course of her career, Adrienne has traveled extensively from the Cayman Islands to Mexico, Fiji, Australia, Palau, the Maldives, and Indonesia. She has trained on closed-circuit diving equipment, is an experienced drone operator, and an award-winning film maker. Her diverse background and talents will ensure Wakatobi guests receive the highest levels of personalized assistance, support, and education in their imaging endeavors.

Underwater Videography Coaching

Hands-on in water instruction to learn the basics of underwater videography and/or enhance your ability to capture better videos.

Sessions can cover techniques in handling video equipment underwater to various ways to light and compose your subject before shooting.

Recommended Duration: 3 Days

Day 1: Theory and Two Dives

Day 2: Three Dives

Day 3: Two Dives and two hour editing session

Extra editing sessions available at US \$390 per day.

Go-Pro Video Course

Learn how to make your own underwater movie in one day.

Recommended program:

Theory session and Two Dives

US \$390

Editing Guest Photos or Video

We'll handle the task of editing your photos or video into a final product before your departure date.

Day rate of US \$390 for up to 20 images or one 3-5 minute video.

Private Photo or Video Shoot

You are the main subject recorded in photos or in a custom video. Sessions begin with a discussion of your personal wishes and conceptualization and planning.

US \$585: Covers 2 dives with 6 hours of editing.

You will receive up to 10 high quality edited full resolution photos or one 3-5 minute video.

Don't have an underwater camera?

Rent one of Wakatobi's Olympus TG 6 or TG 7 digital cameras with underwater housing, or one of our GoPro Hero 12 Black action cams with underwater case. Rent for a day or the duration of your visit.

Olympus TG 6 / TG 7 digital camera with underwater housing

In addition to being a great digital stills camera, both Olympus TG 6 & 7 can also shoot 4k video, above as well as below water.

GoPro Hero 12 Black action cam with underwater case

Rental price for Olympus TG 6 - TG 7 or the GoPro Hero 12 Black are all \$50 per day.
